

Building Shapes

1. Fill each shape below with pattern blocks. Circle the shape that can be made with a square.

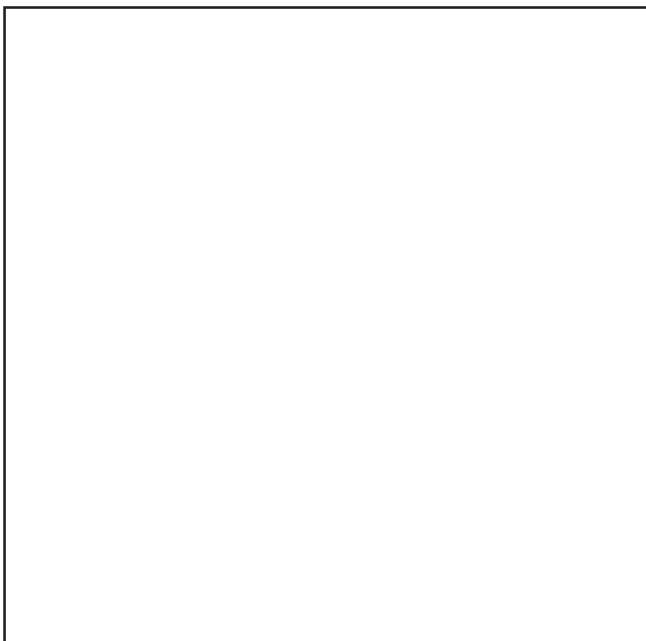

How did you know where to put the square? _____

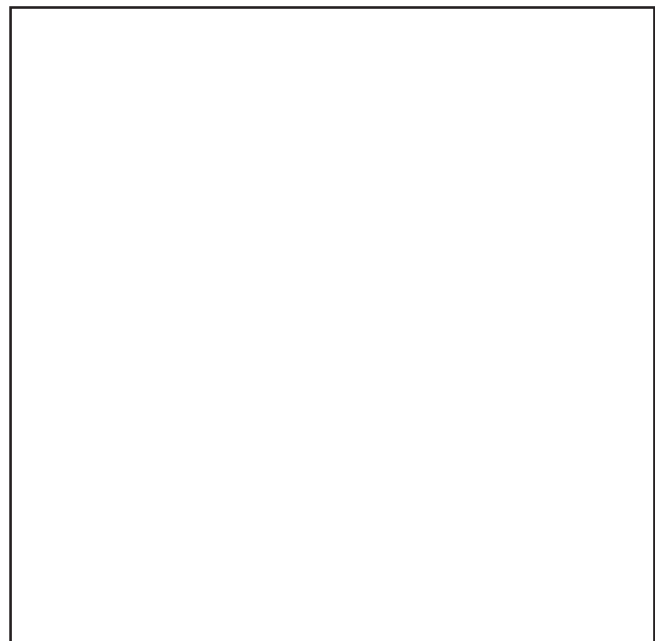

2. Make this shape in two different ways. Trace your answers.

First way

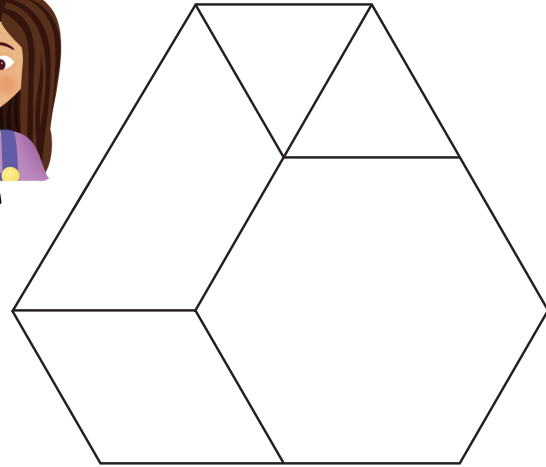

Second way

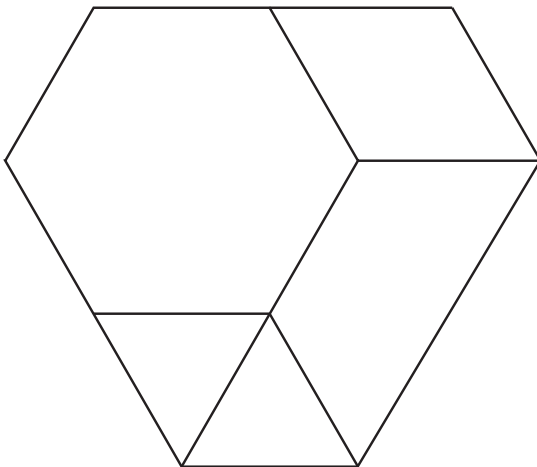

3. Kim, Ana, and Sam filled in the same shape with pattern blocks. Kim said, "You did it the same way I did."

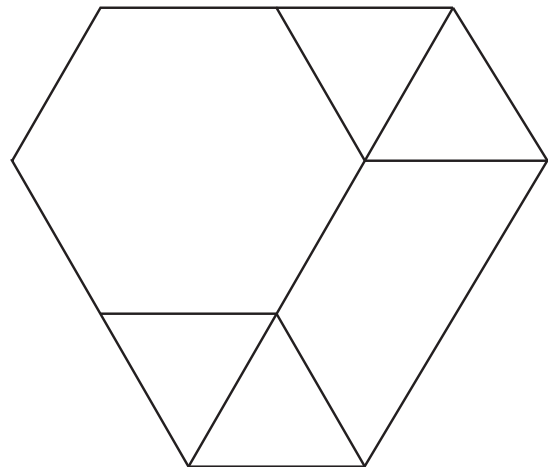

Kim

Ana

Sam

Who is Kim talking to? Tell how you know.
