

C More or Less

I will place a number of cubes on the display. I will flash the light on and off. Tell me if there are more or less than five cubes.

D Counting on the Number Line

1. Start at ten and count by ones to 20.
2. Start at ten and count backward to 0.
3. A math hopper starts at ten and moves six units. Where does it land?

E Calendar 3

1. What is the date today? Find it on the calendar.
2. What day of the week is today?
3. What day will it be tomorrow?

F A Friend's Party

1. Your friend's birthday party is on the tenth of this month. What day of the week is the party?
2. Another friend has a birthday on the twenty-first. What day of the week is that?
