## **My Shape Picture**

( Chomework)
Dear Family Member:
Please help your child draw shapes or cut out and paste pictures of shapes to create "My Shape Picture." Put shapes together to form a picture. Here are some shapes your child can use: triangles $(\bigvee, \bigvee)$ , rhombuses $(\bigvee)$ , squares $(\bigcirc)$ , rectangles $(\bigcirc)$ , circles $(\bigcirc)$ , and trapezoids $(\bigcirc)$ .
Thank you.
