

R Tallies

John has a shell collection. He listed all the colors of his shells: white, gray, white, tan, gray, gray, pink, gray, tan, pink, pink, gray, white, and gray. Use tallies to record the colors of John's shells in the table below.

John's Shell Collection

| Color | Tallies | Number |
|-------|---------|--------|
| Pink | | |
| Gray | | |
| White | | |
| Tan | | |

Write the number of shells for each color.

S What Number? 4

1. What number follows fifteen?
2. What number comes just before fifteen?
3. What number follows nineteen?
4. What number comes just before nineteen?
