

Unit 3: Home Practice

Part 1 Counting Eyes and Noses

Dear Family Member:

Please help your child count the objects listed in the table. As you go from person to person in your family, have your child record a tally for each object he or she sees. After all of the people have been checked, have your child count the tallies and record the total. Help your child skip count by 2s and 10s.

Thank you.

Record a tally for each object in your family. Then count the tallies and record the total.

| Object | Tallies | Total |
|---|---------|-------|
| Eyes  | | |
| Nose  | | |
| Feet  | | |
| Fingers  | | |
