

Pet Problems

What is the total number of pets? Think: should the answer be more or less than 10 pets? You may use a ten frame. Mark an X for more or less than 10. Write a number sentence.

Example:

More than 10 pets

Less than 10 pets

cats	dogs
5	4
pets	
9	

$$\underline{5 + 4 = 9}$$

1.

More than 10 pets

Less than 10 pets

birds	fish
9	5
pets	

$$\underline{9 + 5 =}$$
