

# Unit 4: Home Practice

## Part 1 Odd or Even

Draw a picture that represents an even number. Show or tell someone at home why your picture represents an even number.

Show or tell someone at home how to change your picture so it represents an odd number. Draw your new picture below.

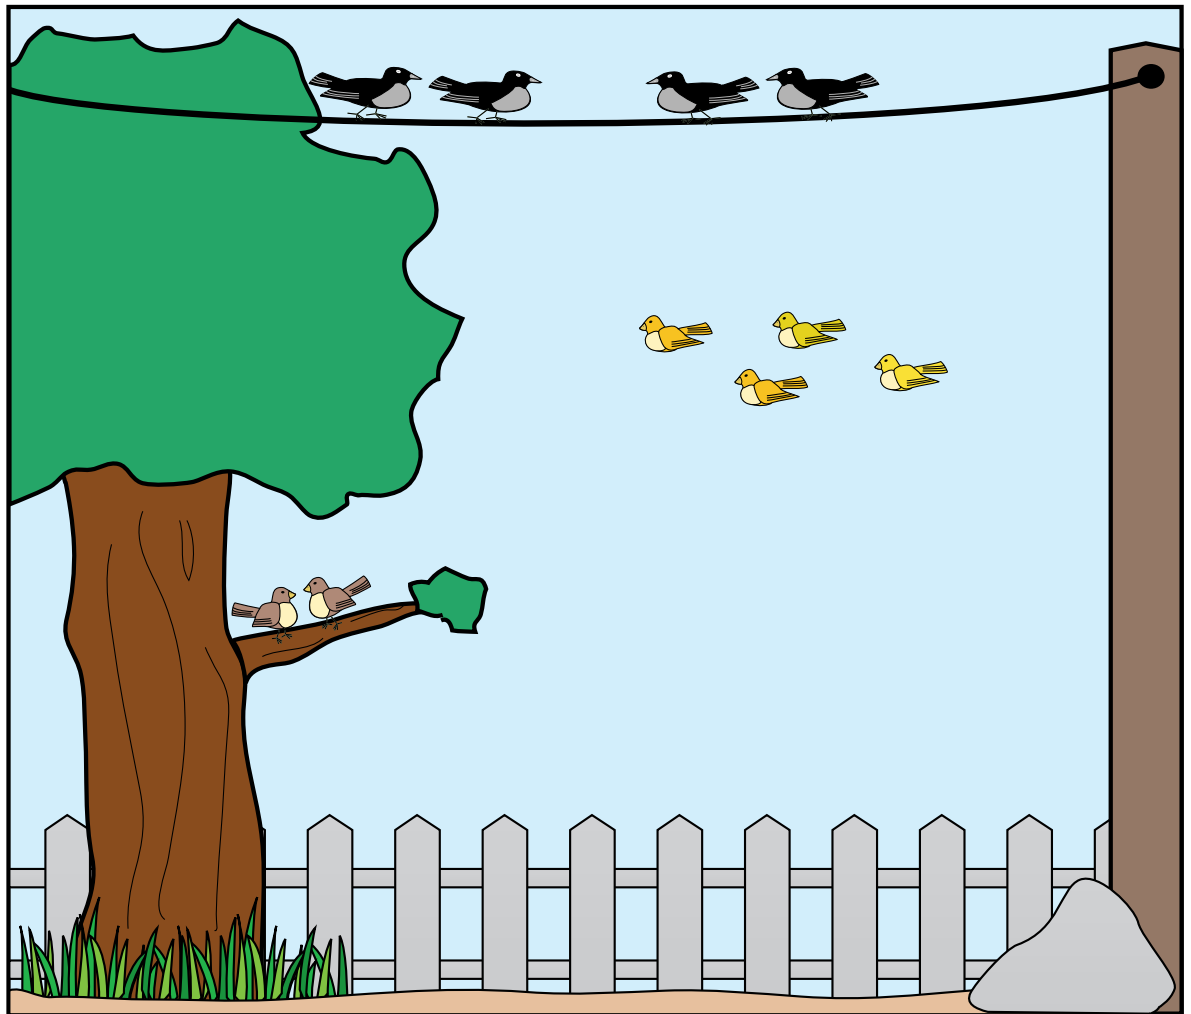

**Part 2** Addition Story

Write an addition story about the picture. Write a number sentence to go with your story. Use labels in the number sentence to show what numbers mean.
