$\qquad$

## Sharing 12 Cookies with Leftovers

2. Fairly divide the 12 cookies among the children. Draw cookies on the plates to show how many each gets. If there are leftover cookies, draw them in the last column.

| People | Number of Cookies on Each Plate (Fair Share) | Leftovers |
| :---: | :---: | :---: |
|  |  |  |
|  |  |  |
| $\begin{aligned} & \text { a o 옻 } \\ & \text { 샃 } \\ & \text { 옻 앛 } \end{aligned}$ |  |  |
