D **Skip Counting**

Point to each number on the number line as you count.

1. Skip count by twos. Start at 2 and stop at 20.

2. Skip count by fives. Start at 5 and stop at 30.

3. Skip count by tens. Start at 10 and stop at 50.

E **Did You Check the Mail?**

Show how to solve each problem. Include a number sentence.

1. Chris mailed her letter on October 3. It took four days to get to Tony. When did it arrive?

2. Carlos mailed a letter to his grandma on October 13. It took four days to get to his grandma. When did it arrive?
