N Ten Cubes

+7
+5

Frank has 10 cubes. Complete the table below to show different ways he can put his cubes into 3 trains. Then write a number sentence for each.

Train 1	Train 2	Train 3	Number Sentence
5	5	0	5 + 5 + 0 = 10

O Ten

N

Talk with a partner.

1. When is ten big?

2. When is ten small?

3. When is ten a lot?

4. When is ten very little?
