

Zoo Store

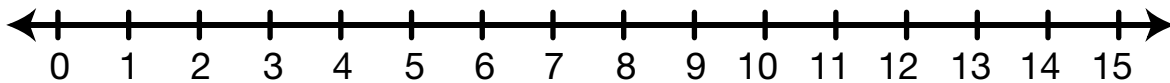

Dear Family Member:

Help your child read each problem below. He or she may use the number line, ten frame, or counters such as pennies to solve the problems. Your child may also choose to draw a picture or diagram. Help your child draw or write a subtraction story for Question 5.

Thank you.

Solve each problem. Write a number sentence to match.

- There are 10 customers in the store. Six are boys. How many are girls?
