

Measuring Our World

How do these items in Maria's classroom compare with those things in your classroom? Measure to find out.

Maria's desk is 18 links tall.

1. My desk is _____ links tall.

Maria's desk is 16 links long.

2. My desk is _____ links long.

Maria measured the distance around her math book. The distance around an object is called the **perimeter**.

The perimeter of Maria's math book is 39 links.

3. The perimeter of my math book is _____ links.
