

I Predict and Measure

1. Predict the length of your pencil in inches. _____
2. Measure your pencil in inches using a ruler. _____
3. Predict the length of a train of 5 connecting cubes in inches. _____
4. Measure a train of 5 connecting cubes in inches using a ruler. _____

J Break It Up

1. Group 17 cubes into three parts. The parts do not need to have the same number of cubes. Use all 17 cubes. Fill in the diagram. Write a number sentence that describes your cubes.

2. Share 17 cubes fairly with three people. How many leftovers do you have? Draw a picture to show what you did.
