

Comparing Names

Michael

Irma

Linda

Nicholas

Make a tower of cubes to show the number of letters in each name of the students in this group. Fill in the table to show how many letters are in each name.

First Name	Number of Letters
Michael	
Irma	
Linda	
Nicholas	

Look at the number of letters in the table above.

1. What is the smallest number of letters? _____
2. What is the largest number of letters? _____

Combine the cubes to find the total number of letters in this group. Fill in the spaces in the sentence.

3. Total letters: _____
4. There are _____ groups of ten and _____ ones left over.
