## Maria and José's Graph

Maria and José filled a cup with lima beans and then kidney beans. Here is a bar graph of their data.

**Full of Beans Class Data** 

- 1. About how many lima beans were in the cup? \_\_\_\_\_
- 2. About how many kidney beans were in the cup? \_\_\_\_\_

3. About how many more kidney beans were there than

lima beans? \_\_\_\_\_

How do you know?

4. Which bean was bigger in size, the lima bean or the

kidney bean? \_\_\_\_\_

How do you know? Use words and drawings to explain.
