

# Ana's Estimates

Use a 10-inch ruler, 10-link chain, and 100-link chain to help you think about Ana's estimates. Show your work and use labels.

1. Ana said:

My brother is two years old.  
He is about 90 links tall.

Ana

Could be or crazy? How did you decide?

2. Ana said, "The length of my pillow is about 20 links long and 25 inches long." Could be or crazy? How did you decide?
