

Maria's Marble Mart

Joe wants to buy 60 marbles. He can buy bags of 10, 20, or 30 marbles. Name the different ways that his order can be filled.

At Maria's Marble Mart, a bag of 10 marbles costs 10¢, a bag of 20 marbles costs 20¢, and a bag of 30 marbles costs 30¢. Tonya wants to buy 60 marbles. She buys one of each size bag: a 10-marble bag, a 20-marble bag, and a 30-marble bag.
