

Change the number of counters in the bag.

$$\begin{array}{r} \text{_____} \\ \text{in the bag} \end{array} - \begin{array}{r} \text{_____} \\ \text{taken out} \end{array} = \begin{array}{r} \text{_____} \\ \text{left in the bag} \end{array}$$

$$\begin{array}{r} \text{_____} \\ \text{in the bag} \end{array} - \begin{array}{r} \text{_____} \\ \text{taken out} \end{array} = \begin{array}{r} \text{_____} \\ \text{left in the bag} \end{array}$$

$$\begin{array}{r} \text{_____} \\ \text{in the bag} \end{array} - \begin{array}{r} \text{_____} \\ \text{taken out} \end{array} = \begin{array}{r} \text{_____} \\ \text{left in the bag} \end{array}$$

$$\begin{array}{r} \text{_____} \\ \text{in the bag} \end{array} - \begin{array}{r} \text{_____} \\ \text{taken out} \end{array} = \begin{array}{r} \text{_____} \\ \text{left in the bag} \end{array}$$

$$\begin{array}{r} \text{_____} \\ \text{in the bag} \end{array} - \begin{array}{r} \text{_____} \\ \text{taken out} \end{array} = \begin{array}{r} \text{_____} \\ \text{left in the bag} \end{array}$$

$$\begin{array}{r} \text{_____} \\ \text{in the bag} \end{array} - \begin{array}{r} \text{_____} \\ \text{taken out} \end{array} = \begin{array}{r} \text{_____} \\ \text{left in the bag} \end{array}$$
