Find Patterns in Rule Machines

Fill in the output column and write a number sentence for each input.

1.

Rule: Add 5		
Input	**Output**	**Number Sentence**
3		
23		
33		
43		
53		
63		
73		

2. What pattern do you see in the output column?

3. What addition fact helped you find the output?

_____
