

## Ducks in Boots

Jack came upon two women arguing over ducks. One woman said, “We have 13 ducks and I say they need boots. Look! It is starting to rain.”

The other woman said, “We can’t put boots on these ducks. We don’t know how many boots we need! What a hard problem!” Jack smiled and decided he would help.

**Draw a picture and show your work on the other side of this page.**

They need \_\_\_\_\_ boots.
