

**B Ten Frame Flash**

I will show a number on ten frames.

I will flash the display on and off.

Tell the number on the ten frame. How did you decide?

---

**C Coin Jar 1**

Add one penny to each coin jar.

- A. How many pennies are in each jar?
  
- B. Can trades be made today? Why or why not?
  
- C. How much money is in all four jars together? How do you know?
  
- D. In 5 days, how much money will be in the Nickel jar?
  
- E. In 5 days, how many nickels will be in the Nickel jar?
