See Ten and Add

Homework

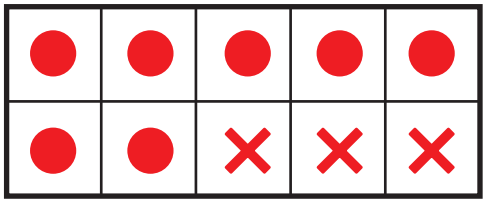
Dear Family Member:

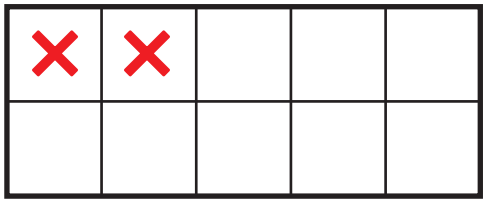
Students are continuing to practice the make-ten strategy to solve addition problems. Help your child find the numbers that make ten as they solve each problem.

Thank you.

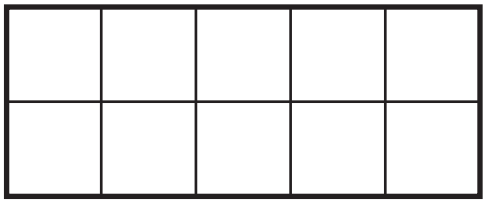
Draw a circle around the numbers that make ten in the first problem in each pair. Then complete both problems in each pair. Show what you did on the ten frames.

Ex. (7 + 3) + 2 = 12 10 + 2 = 12





A. 3 + 4 + 6 = ☐ 10 + ☐ = 13



B. 5 + 1 + 9 = ☐ 10 + 5 = ☐
