

Button Sizer

Use the boxes to decide whether your buttons are small, medium, or large.

If a button fits in this box, it is small.

If a button fits in this box but not in the small box, it is medium.

If a button does not fit in the medium box, it is large.

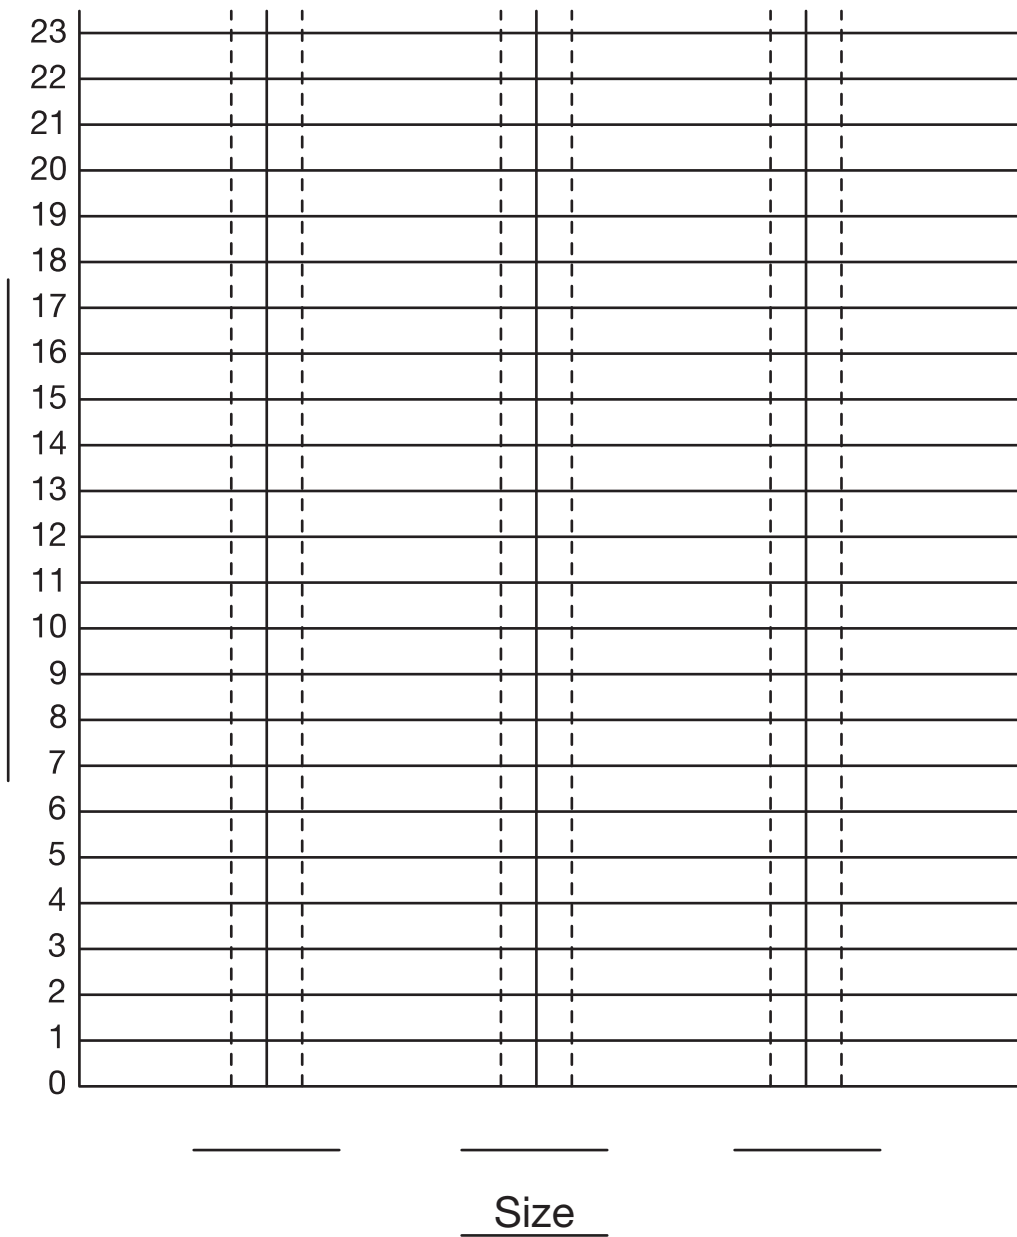

Button Sizer Data Table

Size	Number of Buttons	Total
Small		
Medium		
Large		

Use your data table to make a graph.
