

G Rule Machine

Use a number line or *200 Chart*.

Rule: Add 7		
Input	Output	Number Sentence
2		
12		
22		
32		
42		

What pattern do you see?

H Buttons Everywhere

Jessie counted 17 buttons on her desk. Then some fell to the floor. 11 buttons were still on the desk. How many buttons fell to the floor? Show your answer with hops on the number line.
