

Tile Designs and Number Sentences

Mara made this design using color tiles.

1. Mara wrote this number sentence to describe the design.

$$1 + 2 + 3 + 2 + 1 = 9$$

How was Mara looking at the design when she wrote her number sentence?

2. Kim wrote this number sentence to describe it.

$$1 + 3 + 5 = 9$$

How was Kim looking at the design when she wrote her number sentence?
