

Add and Subtract on the 200 Chart

Dear Family Member:

Your child is adding and subtracting using the 200 Chart. Ask your child to show you how he or she adds on the 200 Chart. For example, for $56 + 3$ your child will start at 56 and move 3 spaces to land on 59. Your child can also use the number fact that $6 + 3$ is 9, so that $56 + 3$ is 59. Please help your child do the addition and subtraction problems by asking them to explain their reasoning.

Thank you.

A. $74 + 5 =$

B. $74 - 20 =$

C. $74 + 30 =$

D. $74 - 10 =$

E. $74 + 11 =$

F. $74 - 11 =$

G. $74 + 9 =$

H. $74 - 9 =$

I. Explain how you solved $74 + 9$ using the 200 Chart.

J. How might you solve $74 + 12$ on the 200 Chart?
