

Name _____ Date _____

Fix the Number Line

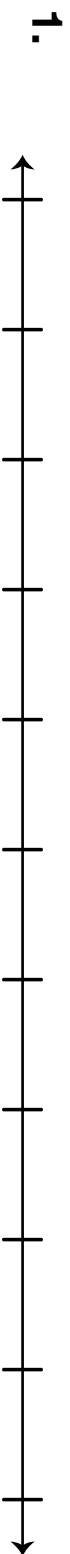

Dear Family Member:

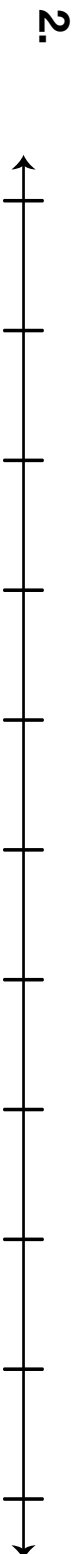

In math class, we have been using the number line in our study of numbers. Students will identify numbers on the number line and move or hop on the number line.

Thank you.

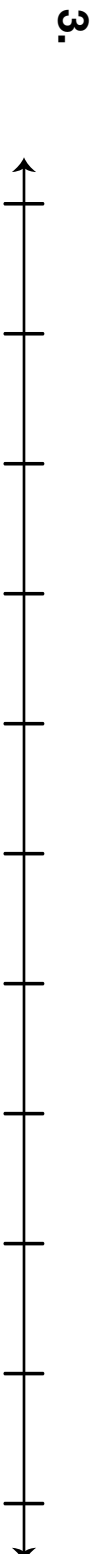

Here are some parts of number lines. Fill in the missing numbers.

10 11 _____ _____ _____ _____ _____ _____ _____ _____ _____

_____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____

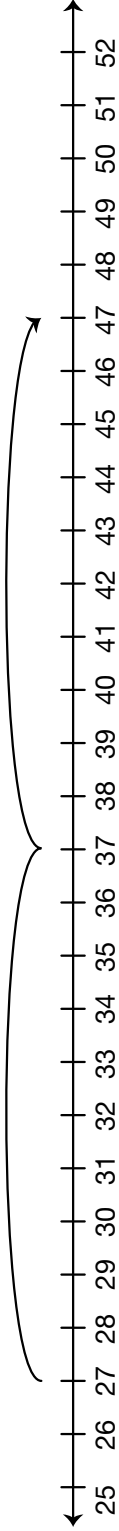

_____ _____ _____ _____ _____ _____ _____ _____ _____ _____ _____

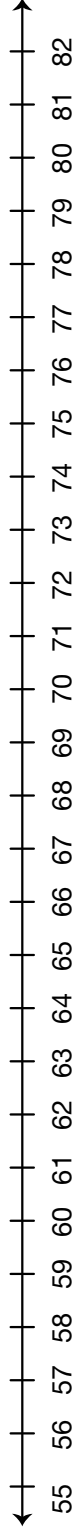

Name _____ Date _____

Show skip counting by hops on the number line. The first one is done for you.

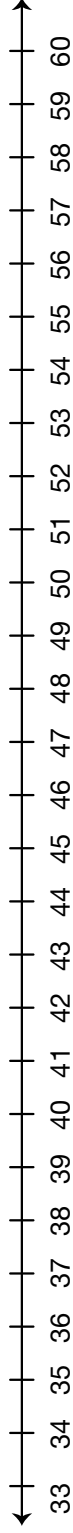

- 4. Start at 27 and skip count by tens.**

- 5. Start at 60 and skip count by tens.**

- 6. Start at 33 and skip count by tens.**

- 7. Start at 36 and skip count by tens.**
