

Palm Variation: At Home

Dear Family Member:

Students measured the size of their palms to look at how they vary. Help your child measure the palms of five different people. Measure to the nearest whole centimeter. He or she will then organize the data into a line plot.

Thank you.

1. Measure the palms of 5 people in centimeters.

Palm Variation: At Home

Name	Palm in Centimeters

2. Organize the data into a line plot.

Palms in Centimeters: At Home
