

# Make It True

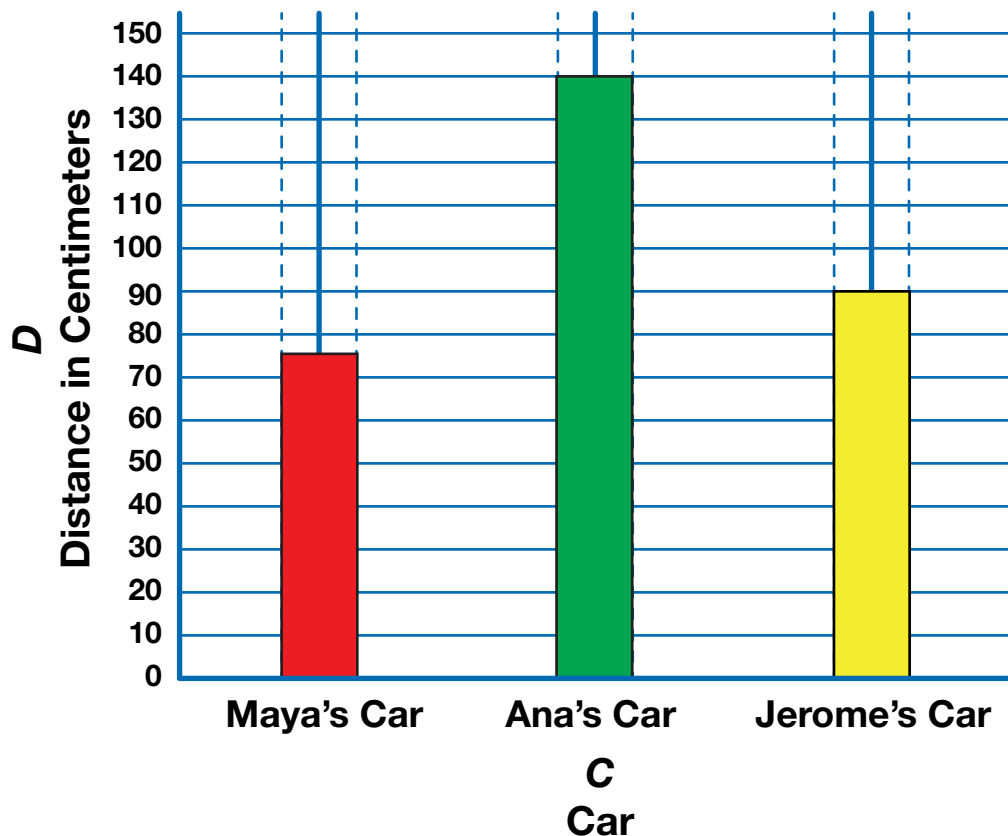

Dear Family Member:

Your child has been learning to read and interpret graphs and then use the information to solve problems. Have your child explain how he or she found the answers to these questions using the graph.

Thank you.

Read each sentence. Look at the graph to see if it is true or false.

- Circle true or false following the sentence.
- If it is false, correct the sentence to make it true. Use the space below each sentence for any corrections.
