

# H Mr. Origin Scavenger Hunt

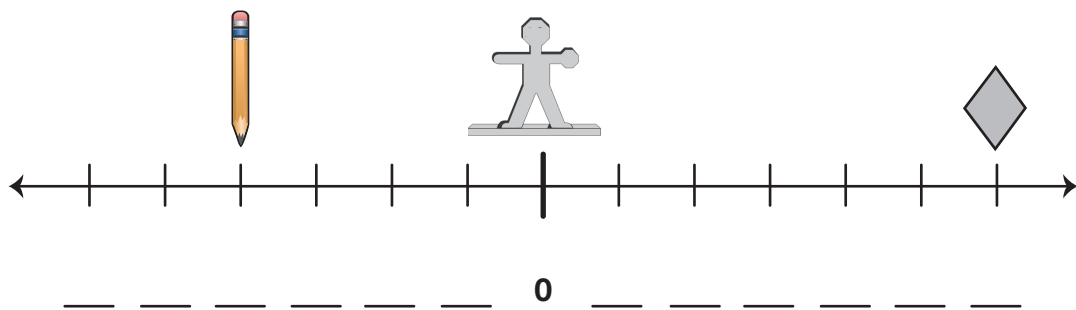

Complete the following to fill in Mr. Origin's map.

1. Look at the map. Label the directions left and right.
2. Label the numbers below Mr. Origin's map.
3. A. Draw a square two centimeters to the left of the rhombus.  
 B. Draw a triangle two centimeters to the right of the pencil.  
 C. Draw a circle four centimeters to the left of the triangle.
4. What is the distance between the circle and the rhombus? Write a number sentence for the distance.

\_\_\_\_\_

5. What is the distance between the pencil and square? Write a number sentence to show the distance.
