## **T** What is My Number Again

**N**

Use a number line or *200 Chart*.

1. I am an odd number between 170 and 180 on the number line. You can find me by adding quarters.
2. I am an odd number less than 170 and greater than 160. You can find me by adding nickels.
3. I am an even number. I am smaller than 180 but larger than 160. You can find me by adding dimes.
4. I am an even number. I am between 165 and 180. You can find me by adding nickels.
