

How Many Bits

Draw a picture and write a number sentence to show how each number is grouped.

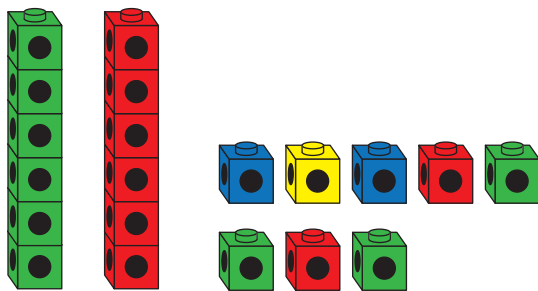

1. I have 2 skinnies and 8 bits.

Number sentence _____

2. I have 1 skinny and 18 bits.

Number sentence _____

3. Circle the ways to show 28.

$$10 + 10 + 8 = 28$$

$$20 + 8 = 28$$

$$2 + 8 = 28$$
