

C Blue Buttons

Use a number line, connecting cubes, or *200 Chart*.

Number of Blue Buttons

Student	Number of Blue Buttons
Elaine	22
Carl	16
Sue	9

1. Who has the least blue buttons?
2. If Carl and Sue combine their buttons, would they have more blue buttons than Elaine? Show or tell how you know.
3. How many more buttons does Carl need so that he has the same number as Elaine? Write a number sentence.
