

Part 4 Make Ten or Twenty

Use the rule to complete the table. Split 9 into two parts so that the first part makes a ten with the number. Write a number sentence that shows the ten. Circle the ten. Follow the example.

1.

Rule: Add 9		
Number	Split 9 to Make Ten	Number Sentence
6	4 + 5	$(6 + 4) + 5 = 15$
4		
5		
2		
9		
7		

2.

Rule: Add 9		
Number	Split 9 to Make Twenty	Number Sentence
16	4 + 5	$(16 + 4) + 5 = 25$
14		
15		
12		
17		
19
