

Name _____ Date _____

Add with Base-Ten Pieces

Solve the following problems with base-ten pieces. Use base-ten shorthand or a drawing to show how you solved each problem and write a number sentence. Estimate to check if your answer is reasonable.

Problem	Drawing or Base-Ten Shorthand and Number Sentence	Estimate
Ex. $\begin{array}{r} 57 \\ + 26 \\ \hline 83 \end{array}$	 <p>Number sentence <u>50 + 20 + 7 + 6 = 83</u></p>	$\begin{array}{r} 57 \rightarrow 60 \\ 26 \rightarrow \underline{30} \\ \hline 90 \end{array}$
1. $\begin{array}{r} 35 \\ + 13 \\ \hline \end{array}$	<p>Number sentence _____</p>	
2. $\begin{array}{r} 64 \\ + 31 \\ \hline \end{array}$	<p>Number sentence _____</p>
