Choose Which Way

Homework

Dear Family Member:

After your child has completed these problems, ask him or her to choose one problem and explain the steps taken to solve it.

Thank you.

Paper-and-Pencil Methods

Expanded Form	All-Partials	Compact

Expanded Form

$57 = 50 + 7$
$+ 36 = 30 + 6$
_____
$80 + 13 = 93$

All-Partials

57
$+ 36$
_____
80
$+ 13$
_____
93

Compact

$\overset{1}{5}7$
$+ 36$
_____
93

Solve each problem using a paper-and-pencil method. Choose each way at least once. Estimate first to make sure your answer is reasonable.

A. $74 + 19$

B. $\begin{array}{r} 66 \\ + 27 \\ \hline \end{array}$
