

Part 3 Sum Patterns

1. Add to find the outside numbers. Write number sentences.

10 + 8 = 18

2. Add to find the outside numbers. Write number sentences.

3. Read and discuss these questions with a family member. Look at the two flowers. What is the same about them? What is different? What pattern do you see in the outside petals?

Part 4 Base-Ten Hoppers

Show how the base-ten hopper can add these numbers on the number line. Remember, the base-ten hopper can hop forward and backward and makes hops of only one or ten at a time. The example shows you two different ways.

Example: $23 + 18$

A. $15 + 15$

B. $39 + 11$

C. $42 + 49$
