

Collection of Stickers

Dear Family Member:

Your child has been learning to use various strategies to solve multiplication problems. For example, he or she may use skip counting, repeated addition, or arrays (an arrangement of objects in rows and columns). Your child may show his or her work in words, pictures, or number sentences.

Thank you.

1. Levi bought a page of giraffe stickers.

A. How many stickers did he buy?
Show or tell how you found your answer.

B. Levi wants to share his stickers equally with his little sister. How many rows will he give her? Show or tell how you found your answer.

C. How many stickers will Levi have left? Show or tell how you found your answer.
