

Write a Multiplication or Division Problem

Dear Family Member:

We have been writing multiplication and division word problems in class. Help your child think of a multiplication or division situation that he or she can write as a word problem and solve. Some examples are listed below:

- 5 dogs with 4 bones each
- 3 dragons with 6 teeth each
- 14 toys shared equally among 7 children
- 12 carrots shared equally among 4 rabbits

Thank you.

Draw a picture of a multiplication or division problem.

Write your problem.
