

# Mrs. Murphy's Party Cake

Mrs. Murphy made a big cake shaped like this for a party:

1. Half of the cake was chocolate and half of the cake was yellow. Color the chocolate half brown.
2. Color the yellow half yellow.
3. One fourth of the cake had strawberry filling. Put red dots on this part.
4. The rest of the cake had vanilla filling. How much of the cake had vanilla filling?
5. She cut the cake into eight equal pieces. Trace a pattern block to show the cake cut into eighths.
