

Part 4 Time for Exercise

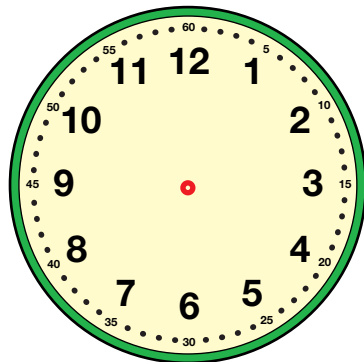

Draw the times on the clocks. Write the times on the lines.

1. Luis can walk to Mark's house in 25 minutes. What time should he leave to be at Mark's house at 4:00?

Time Luis
should leave
if he walks

2. If Luis rides his bike, it takes him 10 minutes. What time should he leave to be at Mark's house at 4:00?

Time Luis
should leave
if he rides his bike
