

K Pencils in the Classroom

Estimate the number of pencils in your classroom right now. Show or tell how you made your estimate.

L Three Addends

Use mental math strategies to solve the following.

A. $5 + 12 + 5 = \square$

B. $7 + 9 + 3 = \square$

C. $8 + 14 + 6 = \square$

D. $9 + 7 + 11 = \square$

E. $16 + 8 + 4 = \square$

F. $13 + 9 + 8 = \square$

G. Show or tell how you solved Problem E.
