

C Subtraction Flash Cards: Groups 5 and 65
x 7

1. With a partner, sort the flash cards into three stacks: Facts I Know Quickly, Facts I Can Figure Out, and Facts I Need to Learn.
2. Update your *Subtraction Facts I Know* chart. Circle the facts you answered quickly. Underline those you were able to figure out. Do nothing to those you still need to learn.

D Multiplication Stories **N**

Mrs. Peabody made peanut butter and jelly sandwiches for her preschool class. She has 12 students. Each student will get one-half of a sandwich. How many sandwiches did Mrs. Peabody make?

Show or tell how you solved the problem. Write a number sentence.
