

## Check-In: Questions 5–9

5. Draw Boo the Blob as a different shape. Use the Centimeter Grid below. Label this Shape D.

6. Find the area of Shape D. Record the area in the Shape vs. Area data table.
7. Trade papers with two classmates. Ask each of them to also find the area of Shape D and record their measurements in the Shape vs. Area data table.
8. Find the median area for Shape D.
9. Did you draw Boo the Blob as a new shape? Explain how you decided.
