

J Kim's Savings

1. Kim earns \$7 each week mowing lawns. She wants to buy jeans that cost \$45. The tax will be \$3. How long will she have to save to buy the jeans?

Will she have to save longer than a month? Why or why not?

2. Lily earns \$10 each week babysitting. How much money will she earn in 10 weeks?

K Subtraction: Using Doubles Again

Do these problems in your head. Write only the answers.
