J Addition Strategies

Look at Levi's strategy for the addition problem below.

$$
\begin{array}{r}
241 \\
+ \ 139 \\
\hline
300 \\
70 \\
+ \ \ \ 10 \\
\hline
380
\end{array}
$$

Use Levi's strategy to solve the following problems.

1.
$$
\begin{array}{r}
435 \\
+ \ 372 \\
\hline
\end{array}
$$

2.
$$
\begin{array}{r}
296 \\
+ \ 225 \\
\hline
\end{array}
$$

Use a different strategy to solve the following problems. Use the *Addition Strategies Menu* in the Reference section of the *Student Guide*.

3.
$$
\begin{array}{r}
396 \\
+ \ 510 \\
\hline
\end{array}
$$

4.
$$
\begin{array}{r}
4167 \\
+ \ 2577 \\
\hline
\end{array}
$$
