

- 2.** How many ways can you make \$.45 using only nickels and dimes?
List them in the table below.

| Number of Nickels | Number of Dimes | Value of Nickels | Value of Dimes | Total Value |
|-------------------|-----------------|------------------|----------------|-------------|
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |

- 3.** Joe Smart said, "I have a pocket full of dimes. I have 75¢."
Do you agree with Joe? Why or why not?

- 4.** Moe Smart said, "I have 3 dimes and 9 nickels. I have 75¢."
Do you agree with Moe? Why or why not?
