## **A** Subtraction Flash Cards: Groups 5 and 6

5  
x 7

With a partner, use your Subtraction Flash Cards to quiz each other on the subtraction facts for Groups 5 and 6. Separate the used cards into three piles: Facts I Know Quickly, Facts I Can Figure Out, and Facts I Need to Learn. Practice the last two piles again and make a list of facts you need to practice at home for homework.

Circle the facts you know quickly on your *Subtraction Facts I Know* chart.
