

Mary and Manuel's Work

“We measured the blackboard with yardsticks We figured out that $3 \times 39 + 25 = 142$ and then we figured out $142 \div 5 = 27 \text{ R}2$.”

*We measured the blackboard with yardsticks
We figured out that $3 \times 39 + 25 = 142$ and then we figured out
 $142 \div 5 = 27 \text{ R}2$.*
