

Buying Giant Gumballs

Mr. Green sells giant gumballs for 20¢ each. He decided to use a table and graph to show the cost of the giant gumballs.

1. Complete Mr. Green's Cost of Gumballs table.

Cost of Gumballs

G Number of Gumballs	C Cents
1	
3	
5	
	140
9	

2. What patterns do you see in the data table?
